November 2019

## What's New?

Last week we re-launched our OPAL playtimes. Each key stage has been responsible for developing different areas within the school grounds and we now have the following areas up and running: mud kitchen, water area, construction and den building area, small world area, stage area. The children have access to these areas both at play times and lunch times and are enjoying exploring the new areas. We have also recruited OPAL rangers who are supporting play.

## Notices

- Please can all children have wellies or walking boots in school to be able to access all areas at playtimes.
- Children are able to use their own scooters at playtimes. If they wish to do so, they **MUST** have a helmet. Scooters can be parked in the scooter racks beside the bike shed in the main yard.

## Donations

This month we are looking for donations of the following items:

- Sand toys e.g. buckets, spades, sand moulds etc
- Wheeled items e.g. suitcases, wheel barrows, buggies (full size and toy), trolleys, bikes, scooters, hoovers, skateboards

**Thank you for your support with donations so far.**
