Special Educational Needs and Disability (SEND) Report 2023

SENCO: Miss Lucy Dawson

Email: ldawson@northburnprimary.co.uk

Telephone: 01670 739 111

The information and data included in this report relate to the academic year 2022-2023. They reflect how SEND¹ funding has been used to meet the diverse needs of learners at Northburn Primary School and should be read in conjunction with the SEND Policy, the Accessibility and Equalities Plan, the Social, Emotional and Mental Health Policy and Behaviour for Learning and Relationships Policy.

Northburn Primary School is currently a one and half form entry, local authority maintained school for learners aged 3-11. There are 324 learners on roll for 2022-2023. The proportion of learners with SEND is well below the national average but this is rising. For more information about specialist resources and provision, please see *Parent(s)/Carer(s) SEND Information* on our website.

What OFSTED say

"Leaders have high ambition for all pupils with SEND."

"Teachers ensure that pupils with special educational needs and/or disabilities (SEND) are fully included and supported. Pupils' needs are quickly identified. Leaders provide staff with high-quality, relevant training. As a result, staff have a deep understanding of the needs of individual pupils. Effective systems and strategies are in place to provide individual, quality support."

SEND Profile at Northburn Primary School

The provision and support for learners with additional needs and SEND exist across school with differing provision being made.

All SEND learners have a personalised *Passport* which explains the learner's need/s, their targets and the provision and resources required to support the learner to meet their targets. These are reviewed three times a year by the class teacher/s and/or SENCO and are shared

¹ The *Code of Practice* (2015) notes that a pupil is defined as having SEND if they have:

- a significantly greater difficulty in learning than most others of the same age; and/or
- a disability or health condition that prevents or hinders them from making use of educational facilities used by peers of the same age.

Under the *Equality Act* (2010), a disability is a physical or mental impairment which has a long-term (at least 12 months) and substantial adverse effect on a person's ability to carry out normal day-to-day activities.

with parent(s)/carer(s). If sought, support and or guidance from external professionals is recorded on *Passports*, as well as any recommended interventions.

Staff training and development

Northburn is committed to providing regular training for staff development. SEND is a frequent part of this training with staff having accredited qualifications in a range of SEND. Regular monitoring, reviewing and development of staff's understanding of SEND, and strategies used to support learners with SEND, underpins our commitment to providing for all learners.

Training undertaken this year includes, but is not limited to:

- safeguarding;
- Ordinarily Available Provision (OAP);
- Developmental Language Disorder (DLD);
- Emotional Literacy including bereavement, emotions and friendships;
- Relational practice: behaviour changes;
- Understanding dysregulation and de-escalation;
- Sensory processing;
- Behaviour support plans and risk assessments;
- *iASEND*;
- diabetes awareness; and
- implementation of *Personalised Support Plans* and *Passports*.

Training is cascaded to staff by: staff meetings; personalised support for staff according to their needs; training sessions; and email updates.

All staff and Governors are aware of Prevent Duty (prevent radicalisation and promote British values) and have received training.

Working with Outside Agencies

Last year, Northburn was supported by a number of external agencies with further advice and support for the learner and their parent(s)/carer(s). Professional advice was sought from:

- Speech and Language (NHS and High Incidents Needs Team);
- Educational Psychologist;
- Occupational Therapists;
- Physiotherapists;
- Children's and Young Person's Services;
- Early Help Team;
- School Health; and
- Hearing Impairment Team.

Outcomes for learners with SEND: 2022-2023

- A proposal to Northumberland County Council has been put forward to create a Primary Support Base at Northburn for learners with EHCPs who have a primary need of Autism. This proposal has been successful.
- Embed the principles of Ordinarily Available Provision in classroom practice.
- Develop staff understanding of trauma informed practice and link with the *Behaviour for Learning and Relationships Policy*.
- Develop an accessible document for learners to record their voices in relation to their school experience to go alongside Personalised Support Plan or Passport.
- Develop the implementation of *Zones of Regulation* to include de-escalation.
- SENCO is to embed Whole Education: SEND evaluation tool.
