

Nursery and Reception

Foundation Stage Yearly Overview

Our yearly planning is flexible in the Foundation Stage and although we plan themes for the year ahead, with the nature of Early Years we find that the needs and interests of the children do not always fit with the planned topics, with this in mind we adapt our planning to the needs and interests of the children. Our topic headings are broad allowing us to adapt and allow for individual needs and interests to be explored.

Created by Bev Farrier.
